Test results and invoices are sent via email as a PDF. Please check here to have results sent via US Mail.

Instructions:

Pull 30-40 mane or tail hairs with roots attached. Place hairs into a plastic zip-lock bag. Only one sample per horse is required t indicated on this form. Include payment information for the appropriate amount and send samples to the address below.

By submitting this form with your sample you agree that Animal Genetics Inc. will not be held accountable for any incidental or consequential damages of any kind. Furthermore, Animal Genetics Inc. retains full ownership of all samples submitted and may choose to use any sample to conduct further testing. Results are available for paid tests only. For future release, Animal Genetics may run additional tests on the sample submitted that are not requested on this form. Access to test results is limited to the individuals listed in account.
