We are Meeting in Idaho

The ACDHA 2021 meeting will be in Idaho with the Corson family on July 30-August 1st

The Corson’s have been a part of the ACDHA since July 7, 1995. We have bred, raised, shown and participated in many cream events over the years. BUT, this is our very first time to host a Cream Meeting. We are extremely excited to welcome everyone to North Idaho and to our farm.

We hope everyone will feel comfortable traveling and coming to the meeting. We will be hosting the meeting and Saturday’s events here at the Corson Farm. There will have precautions, such as hand washing stations and hand sanitizer, to keep everyone safe and if need be, can practice social distancing. Please bring your own masks if you plan to wear one. The Carriage House has large roll-up doors on either side that can be opened to allow for good air flow and also has ceiling fans. We will be outside by the fire pit for the Saturday Dinner.

Spring Greetings to all of our Cream Family & Friends!

Hopefully this Newsletter finds all of you Healthy and with positive attitudes after weathering one of the most challenging years in recent American History. Great News to Report: The ACDHA Directors have confirmed the ACDHA Annual Meeting will definitely be held out West this July! The American Cream Draft Horse Assn.’s. gathering of the Tribe is a very special Event and feels more like a Family Reunion. It offers an opportunity to gather together and share what has been happening all around “Cream” Country. The (combined 76th& 77th) ACDHA Annual Meeting will be held this July 30th through Aug. 1st, 2021. The Meeting location this year has been moved to Bonners Ferry, Idaho so please check your Newsletter for all of the details.

Reminder for all of you to share any photos and information of your local Farm & Play Days, BBQ’s, Rides, Wagon Trips and Camp Outs with Sue Engel so she can publish articles in the ACDHA Newsletters. Those activities can help expose new Folks to the marvelous qualities of the Cream Draft Horse Breed.

Your ACDHA Secretary & Directors are still meeting monthly via Conference Calls to keep up with the growth, and day to day activities of your Association. Be sure to remember that the Election of Directors is coming up very soon, so we’ll be requesting Letters of Intent very soon.

The snow and mud has been is drying up out here in West, and the grass is now green once again which is an invitation for us to get out with our Horses this Season. Looks to be a promising year to attend Events once again with the Creams!

Corson plans from page 1 by Tiffany Corson

We are very excited for everyone to come see our farm and the creams (Hopefully all 5 babies as well; two full cream, two half cream and one quarter cream). We will be doing hay rides and putting on several different demos (including Katie Peet-Walker Bystrom bringing up her cream gelding, Earl, and her vaulting team will be doing a vaulting demo for us). Other demos will include a jumping demo on our half-cream Indy, training demos by John and show braiding by Tiffany and Linda Corson. If there are any demos that anyone else would like to do, please let me know. We have plenty of creams and crosses available for use, but also not opposed if anyone wants to bring their own creams. Please let me know ahead of time, so I can make the appropriate accommodations for your horse(s).

Saturday evening, after the demos, we will be hosting a BBQ around the campfire, listening to a guest speaker. It should be lots of fun!

Sunday will be a tourist day. I will have a packet for everyone about things to do in the area, between here and the airports or if you would rather, you're more than welcome back at the farm to hang out and go on more rides.
