ride share the 4 miles or check public bus service, again use Google Maps  
to plan your trip. In the FW Stockyards there is a daily “cattle drive” re-

Among other things in the Stockyards is a John Wayne Museum.

On Saturday in Grapevine there is a gathering at the local pioneer living  
history farm (Nash Farm, owned by the city) called “Fall into Nash” which  
we will most likely put our ACDs on display for the day and visit with the  
locals about farming heritage.
